Dear Parents & Students,

The Northern Kentucky Youth Foundation (NKYF) is proud to announce the creation of the NKYF Youth Council. The Youth Council provides students with an opportunity to actively address youth related issues and needs in the community. The Board of Directors is currently seeking students who will achieve a grade level between 7-12 during the 2012-2013 school year for inclusion in the program.

The Youth Council will evaluate and review problems facing youth in the community, promote positive youth developments, promote public awareness of the strengths and abilities of youth, and provide opportunities for participation in community projects.

In January 2012 the NKYF Youth Council will begin gathering on the 4th Thursday of every month. Meetings are designed to provide a safe, non-judgmental environment for council members to share knowledge regarding the concerns and opportunities facing themselves and their peers. In addition to an open forum, membership may be viewed as a "resume building" activity for possible inclusion in scholarship applications, while also meeting Community Service requirements that many schools require as part of their curriculum.

We hope that you will consider partnering with us as we strive to make a positive impact in the community by utilizing the often overlooked talents of Northern Kentucky's most valuable asset.....our youth.

Please take a moment to fill out the attached application and return to the NKYF Board of Directors by December 15, 2011. You may contact us at any time with questions or to discuss this opportunity further. For more information about the Northern Kentucky Youth Foundation visit www.nkyyouth.org.

Thank you for your time and consideration,
