Dear Valued Business Owner/Operator,

The Northern Kentucky Youth Foundation (NKYF) is proud to announce the creation of the NKYF Youth Council. The Youth Council provides students with an opportunity to actively address youth related issues and needs in the community.

The Youth Council will evaluate and review problems facing youth in the community, promote positive youth developments, promote public awareness of the strengths and abilities of youth, and provide opportunities for participation in community projects.

In January 2012 the NKYF Youth Council will begin meeting on the 4th Thursday of every month. Currently we are seeking partnerships with area businesses that may be able to make donations in order to get the Youth Council program off the ground and running smoothly.

Monetary donations are, of course, welcome. However you may be able to help in many other ways. Donations of supplies, snacks, meeting space, and/or food or beverages will also go a long way in providing a fun and safe environment for the Youth Council to meet.

It is our sincerest hope that you will consider partnering with us as we strive to make a positive impact in the lives of our future leaders. We recognize that we are in the midst of a tough economic environment. We strongly believe, however, that your donation would be a long term investment in Northern Kentucky's most valuable asset....our youth.

Please contact us at your convenience to discuss this opportunity or for additional details on the NKYF and our programs.

Thank you for your time and consideration,

Northern Kentucky Youth Foundation
