

Thank you for supporting Northern Kentucky Youth Foundation by allowing ACN to provide your communications services!

Who is ACN?

ACN is the largest direct-selling telecommunications company in the world with market presence in 21 countries, more than a million customers and annual revenues exceeding half a billion dollars! ACN provides customers with the telecommunications and home services they already need and use every day, as well as the cutting-edge services of the future.

How does this work?

It's easy. By becoming an ACN customer, you'll receive the same services you're using today – at Competitive market rates – and Northern Kentucky Youth Foundation will directly benefit financially!

How does this help Northern Kentucky Youth Foundation?

You're buying these services anyway. If you buy them from ACN, NKYF will receive a percentage of your monthly billing. In other words, NKYF will receive a direct financial contribution from ACN for as long as you remain an ACN customer or for the term of your agreement.

What do I do?

Go to the NKYF/ACN website www.nkyyouth.acnpartner.com

1. Review the products you're interested in ordering from the top banner: Digital Phone, Wireless, Local & Long Distance, Internet, Satellite TV or Home Security.
 - »» Transfer your existing or order new home phone, long distance and internet services!
 - Yes, you can keep your current number if you're not moving.
 - You cannot be under contract for any services you wish to transfer
 - »» Order new wireless phones and service!
 - You can even renew your current plan if you're at the end of contract.
 - »» Order new Satellite TV and Home Security services! (Existing services are not available for renewal by ACN).
2. Verify that service is offered in your area by clicking 'Availability & Rates'. (When asked for a 'Team ID Number', simply enter **14900** for NKYF).
3. Transfer existing services or order something new! ACN will take it from there. You'll receive the same great service, and the NKYF will receive a direct financial contribution!

If you have any questions or need assistance transferring existing or ordering new service, contact:
